

DAVID FELLERS HEALING ART FOUNDATION

A 501 (c) (3) nonprofit organization

Dedicated to improving the lives of the severely disabled by creating partnerships with doctors and artists.

The World Health Organization has found there are roughly 600 million disabled individuals in the world, and 85% to 90% of them live without any medical aid or supportive equipment.

Deaf and immobilized by cerebral palsy, David Fellers enjoyed the best care and equipment available. His amazing attitude and positive impact on all who knew him, inspired the creation of a foundation designed to help other disabled individuals less fortunate than he was.

The Foundation primarily raises funds through cash donations, auctioning or selling donated works of art, and organizing concerts performed for the benefit of the Foundation. Funds are used to support the needs of disabled individuals in underdeveloped countries by acquiring equipment and tools to assist in:

- Exercise/Rehab
- Sensory motor stimulation
- Orthopedic braces, supports, materials
- Mobility (wheelchairs, walkers, strollers)
- Speech and Communication
- Bathing/Toileting
- School/Learning
- Clinic Supplies
